

ELECTIONS PROCEDURES 2020

Election Materials

1. Election and Voting information will be distributed online to all eligible voters under the supervision of the Marketing Manager and will include the following:
 - a. The name (with photo and Candidates Statement, if provided) of each Declared Candidate who meets the qualification for Board Service.
 - b. Instructions for voting
2. The materials will be available on the DFC website for the duration of the Election.

Voting

1. The Board will appoint one or three Inspector(s) of Elections to oversee the voting process.
2. DFC staff will contract with a reputable election management company (hereafter “the company”) to conduct an online-only election. The company will receive electronic votes from members, providing security and preventing fraudulent or duplicate voting using industry best practices.
3. DFC staff will offer the ability to vote electronically in the store and offer technical assistance for those who request it.
4. The Inspector(s) of Elections will produce a report of the election results using the certified election results produced by the company. All records will be given to the General Manager for secure storage.
5. Results of the Election will become final when the report of the Inspector(s) of Elections is accepted by the Board at the board meeting immediately following the results, or at another duly called Board meeting.
