

## Davis Food Co-op Holiday Shopping Announcements

In order to ensure both the safety of customers and staff and the ease of shopping during the holidays, the Davis Food Co-op will be making the following operational changes in store from **November 13<sup>th</sup> to November 26<sup>th</sup>**:

- The most notable change is that during this time, we will be monitoring customer count. We will be positioning staff members at the door to ensure that we are controlling the number of customers in the building at one time to maintain safe social distancing protocol.
- Staff members at the door will also be ensuring that all customers are greeted and reminded to wear a mask. If anybody happens to forget a mask at home, we will gladly provide one for them. We will also be making periodic announcements in store reminding everyone to socially distance and properly wear their mask at all times.
- At checkout, our lines will be monitored by our Frontend Supervisor to direct traffic and ensure a safe and socially distanced checkout experience. Cashiers will sanitize counters, pin pads and pens after every transaction.
- We will continue to have staff on site sanitizing all other frequently touched surfaces throughout the store such as carts, hand baskets, freezer and refrigerator doors, door handles, etc. Throughout the store, we will also have touchless hand sanitizing stations available for use.
- All staff will continue to do wellness checks including a temperature and symptoms check prior to the start of their shift. If any abnormalities appear during this wellness check, the employee will be sent home and paid for the hours that they miss.
- We will continue to have special shopping hours for Seniors and shoppers with compromised immune systems. These hours have been updated to be available on Mondays and Wednesdays from 7am- 9am.
- Want to avoid coming in? Curbside Pickup will be available with increased pick-up times and we will waive the service fee for these two weeks! Visit the link for Curbside Pickup at [davisfood.coop](https://davisfood.coop).

By implementing these standards, we will continue to provide a safe and pleasant shopping experience for everyone. We would like to thank you for your cooperation and for shopping at the Co-op to fulfill all of your Holiday Meal needs!
